Agenda Item: **Presentations**

STAP (Southern Tier Aides Program) John Barry

At the end of October 2021, STAP was awarded funds CDC, Covid 19, public health crisis funds – STAP is a public health agency – two year award – already working to make program sustainable – harm reduction services – services travel to different counties / team will spend lots of time on the road – focus of service, safer injection equipment, Naloxone distribution, HIV and Hepatitis C testing – additional piece of grant, \$30k per year to be used for a new program called “NY Matters” intended to help encourage people to seek treatment and therapy – the largest number of participating providers or organizations are in Buffalo, its origin / have hired a “Regional Care Coordinator” will search for prescribers willing to use this platform and arrange peer support, transportation, transfer documentation, monitor pharmacy voucher submissions / locally, the van will be in Homer on February 8 – plan to be in area once a week, initially – does not want to advertise on social media, prefer to spread word more slowly / not just a “one and done” – it is harm reduction, to engage people

HEALing Communities (Helping to End Addiction Long-term) Sara Watrous

Money awarded to Cortland County and other counties in NYS – Cortland phase 2 – roll out full implementation in July 2022 / Goal: Reduce opioid related overdose deaths by 40% - working with a team at Columbia University / will be forming a “steering committee” in the Spring / focus on wide distribution of Naloxone – access to medications and safer prescribing practices / last year and a half, supporting work already being done with Naloxone – 2021 over 1700 kits of Naloxone were distributed / Help us spread the word of the next Narcan Pop Up: <https://fb.me/e/16Ld2wTZT>

CNY Area Health Education Center (<https://cnyahec.org/>) Lauren Anderson

Currently working with RCRP (Rural Communities Response Program) – 14 counties in NY, with 9 locations – there are three focus areas: Prevention – Treatment – Recovery / Three year project, ending August 2024 – trainings coming up Feb 28 & April 29 – Dr. Judy Griffin – MAT training – will send literature to Gail Spitzer to distribute / one of the objectives of HEALing Communities is to increase the number of providers able and willing to provide medically assisted treatment (MAT) – the trainings provided by CNYAHEC will increase opportunities for physicians to fill this need in the County

CHAMPS (Community Health Access to addiction and Mental Healthcare Project) Marguerite Falso, Family and Children’s Counseling Services

Marguerite a CHAMPS advocate – CHAMPS goal to educate providers, families and individuals of their legal rights to coverage / will investigate and resolve complaints – free and confidential service to all patients and providers – funded by OASAS (NYS Office of Addiction Services and Supports) – CHAMPS created because of a history of discrimination in insurance coverage – many consumers forced to go out of network for treatment – Marguerite will send brochure to Gail for distribution

Agenda Item: Community Updates:

(Patty Schaap in CHAT) – Deputy Director County MH Department – SPOA update – there is an increase in substance use with teenagers and a refusal for inpatient rehabilitation services – contact Patty with any questions pschaap@cortland-co.org
