**PREAMBLE**

Entered into by and between the Civil Service Employees Association, Inc., Local 1000 AFSCME, AFL-CIO, the recognized Union by the Cortland County Deputy Sheriff/Correction Officer Unit Number 655003, hereinafter referred to as the "CSEA" and the County of Cortland/Sheriff of Cortland County, hereinafter referred to as the "County."

In consideration of the mutual covenants contained herein the parties hereto do agree as follows:

**ARTICLE 1**  
**RECOGNITION**

SECTION 1. The County recognizes the CSEA as the sole and exclusive bargaining representative for the purposes of establishing salaries, wages, hours, and other terms and conditions of employment, as defined in Section 201(4) of the Civil Service Law, for members of the defined bargaining unit for the duration of this Agreement.

The CSEA represents employees of the County holding either a full-time position or a regularly scheduled part-time position scheduled to work at least fifteen (15) hours per week in one title in a title reflected in the Appendix A of this Agreement. All seasonal, casual/per diem, or other irregularly scheduled employees, including student employees on school breaks, and temporary positions, as defined in Section 64 of the Civil Service Law, shall be excluded from the bargaining unit. All employees who fill positions within the jurisdictional classifications of exempt or unclassified as defined by the Civil Service Rules shall be excluded from the bargaining unit.

SECTION 2. The Civil Service Employees Association, Local 1000 AFSCME, AFL-CIO, affirms that it does not assert the right to strike against the County, as defined under Section 210 of Article 14 of the Civil Service Law.

**ARTICLE 2**  
**MANAGEMENT RIGHTS**

Except as limited by other provisions of this Agreement, all of the authority, rights, and responsibilities possessed by the County are retained by it including, but not limited to, the right to determine the mission, purposes, objectives, hours, scheduling, days off, and policies of the County; to determine the facilities, methods, means, and number of personnel required to conduct County programs; to administer the merit system, including the examination, selection, recruitment, hiring, appraisal, training, retention, promotion, assignment, or transfer of employees pursuant to law; to direct, deploy, and utilize the work force; to establish specifications for each class of positions and to classify and reclassify and to allocate or reallocate new or existing positions in accordance with law; and to discipline or discharge employees in accordance with law and the provisions of this Agreement.

**ARTICLE 3**  
**CSEA RIGHTS**

**SECTION 1. Bulletin Boards**

The Union may maintain one (1) bulletin board in each facility where CSEA represented members are located to post notices and other communications. Each bulletin board shall be labeled solely for Union use.

The Union may post meeting notices, internal election notices, information on benefits of the Union to its members, bargaining updates, and other information that is within the realm of business of the Union. The Union agrees not to post any material that relates to public elections or is derogatory toward Cortland County, its management, employees, or elected officials. The Personnel Officer prior to posting shall approve any item that is outside the realm of business of the Union.

SECTION 2. The Unit President and Stewards shall have access to accrual records of employees within their jurisdiction with the written approval of the employee.

SECTION 3. The Executive Board of the Cortland County Deputy Sheriff Correction Unit 655003 of the Civil Service Employees Association shall be permitted to allocate forty-eight (48) hours with pay per calendar year among the employee members to attend official meetings of the Civil Service Employees Association. When possible, the Sheriff shall be notified in writing, with a copy to the Personnel Officer, two (2) weeks in advance of such leave. Alternate Delegates will be assigned in case of emergency. The Unit President will notify the Personnel Officer by January 15<sup>th</sup> of each year of all Officers and Union Stewards/Grievance Representatives and what areas they represent. Any changes to said list after January 15<sup>th</sup> will be sent to the Personnel Officer within five (5) working days of the change.

SECTION 4. The Officers and Agents of CSEA shall have the right to visit the employer's facilities for purposes of adjusting grievances and administering the terms and conditions of this Agreement. Employees who are designated or elected for the purpose of adjusting grievances or assisting in the administration of this contract shall be permitted a reasonable amount of time free from their regular duties to fulfill these obligations, which have as their purpose the maintenance of harmonious and cooperative relations between the employer and the employee and the uninterrupted operation of government.

SECTION 5. The County agrees to submit to the Union each month a list of any new employees hired, the activity in which they are working or will work, their home address, and the status of their employment as whether they are temporary, seasonal, federally funded, or permanent. Upon written request, the Personnel Officer will provide the CSEA President with a list of current employee data including, but not limited to, employee name, department, date of hire, part-time or full-time, job title, jurisdictional classification (competitive, non-competitive, labor), and grade level.

**ARTICLE 4**  
**DUES, DEDUCTIONS, AND COLLECTIONS**

**SECTION 1. Check-off of Union Dues**

All employees covered by this Agreement shall authorize their membership dues to the Union by signing the authorization for payroll deduction of Union dues form provided by the Union. The County agrees to deduct authorized membership dues from the wages of all employees covered by this Agreement and forward said dues bi-weekly to CSEA Inc., Local 1000 AFSCME, AFLCIO, 143 Washington Avenue, Albany, New York 12210.

**SECTION 2. Agency Shop**

The Union, having been recognized as the exclusive representative of all employees within the bargaining unit, shall be entitled to have deductions made bi-weekly from the pay of each as an agency fee in the amount equivalent to Union dues. Non-members of the Union shall be entitled, upon request, to a refund of the amount of their agency shop fee deductions used by the Union in aid of activities or causes of a political or ideological nature. The Union affirms that it has adopted such a procedure for the refund of the agency shop fee deductions as required by Section 208 of the New York State Civil Service Law. The provision for agency shop fee deduction shall continue in effect as long as the Union maintains such procedure. Agency fee deductions shall be forwarded bi-weekly to CSEA Inc., Local 1000 AFSCME, AFLCIO, 143 Washington Avenue, Albany, New York 12210.

**SECTION 3. Other CSEA Authorized Deductions**

The County shall deduct, from the wages of employees who authorize said deductions, premiums for all current CSEA-sponsored programs. The County further agrees to forward said deductions to CSEA Inc., Local 1000 AFSCME, AFLCIO at 143 Washington Avenue, Albany, New York 12210.

**SECTION 4. Deduction Exclusivity**

In addition to the above referenced deductions, the County agrees to deduct, from the wages of employees who authorize said deductions, regular subscription to the Dental, Vision and Health Insurance, a Deferred Compensation Provider Plan, a Flex Spending Plan, the New York College Savings Program, United Way, and direct deposits.

**SECTION 5. Changes in Deductions**

Any changes in the amount of Union dues and CSEA sponsored program fees to be deducted must be certified by the Union in writing and forwarded to the County thirty (30) days prior to implementation. Where an employee has no earnings from a paycheck from which deduction have to be made, the County shall not be responsible for collecting the dues or program fees.

SECTION 6. Indemnification

It is understood and agreed that the provisions of this Article shall be subject to the requirements of applicable law. The Union agrees to indemnify and save the employer harmless from any and all claims, suits, judgments, attachments and from any other form of liability, including legal fees and other reasonable and necessary expenses arising out of or resulting from any deduction from wages made in accordance with this article or in reliance upon any authorization card or list relating thereto which is furnished to the County by CSEA.

**ARTICLE 5**  
**WORKDAY/WORKWEEK**

SECTION 1. Employees shall work forty-hours (40) per week in accordance with a 5/2 schedule. The workweek for all employees shall start at 12:01 a.m. Monday and end at 12:00 midnight Sunday.

The Sheriff shall have the right to establish work schedules and assign employees to shifts as necessary for the operation of the jail. In the event the Sheriff feels it is necessary to establish a work schedule that includes a rotating schedule for all shifts and positions, the parties will meet to negotiate the change prior to implementation.

By December 1<sup>st</sup> of each year, employees may submit a shift preference list to the Sheriff. Shift assignments will be made by mid-December to allow for contractual 14-day notice of change. Shift preferences will be considered by the Sheriff, at his/her discretion, upon request for shift change by the employee. When the Sheriff or his/her designee directs shift changes, the shift preference list will be considered. The shift preference request shall not be subject to the grievance procedure as outlined in Article 6.

Changes from an employee's normal work schedule can be made for reasonable cause but shall not be made arbitrarily or capriciously.

SECTION 2. All Correction Division employees shall report to work fifteen (15) minutes prior to the commencement of their assigned shifts for the purpose of receiving orders, job assignments, training, doing the "count", and reporting to assigned work areas. This early reporting time shall be paid in accordance with Article 20, Overtime. Effective January 1, 2012, employees shall report seven (7) minutes prior to the commencement of their assigned shifts.

Except in cases of emergency or unusual circumstances, should it be necessary to change the work schedule, shift, or pass days for employee(s) of the Correction Division, the Sheriff or his/her designee shall give at least 14 calendar days' notice to the employee(s) and CSEA. This notice requirement does not include the need for scheduling overtime. Changes may be made in less time if mutually agreeable between the employee(s) and the Sheriff or his/her designee.

In the event of a work schedule, shift, or pass day change, an employee shall have the opportunity to express claim of hardship in writing to the Sheriff. Such claim of hardship will be considered by the Sheriff and shall be responded to in writing with a copy to CSEA prior to the date of the planned change.

SECTION 3. The regular workday shall start between the hours of 6:00 a.m. and 9:00 a.m., 2:00 p.m. and 5:00 p.m., or 10:00 p.m. and 1:00 a.m.

SECTION 5. Rest Periods

All employees shall receive a fifteen (15) minute rest period during each four (4) hour shift. The rest period shall be granted near the middle of each four (4) hour shift whenever this is feasible.

Rest periods shall not be used to extend meal periods or to adjust the regularly scheduled work shift start and stop times.

Unused meal and rest periods shall be forfeited.

SECTION 6. Return Pay

An employee who is required to return to work to provide services after having left work shall receive a minimum of three (3) hours pay unless the time extends his/her regular workday.

SECTION 7. Light Duty Assignments

Correction Officers who are in 207C status may be assigned to a light duty assignment within the divisions of the Sheriff's Department. Light duty assignments will not be found to effect exclusivity. The parties agree to an orientation by Personnel to convey the light duty assignment.

A new employee must start on or before the 15<sup>th</sup> of the month to receive vacation credit for the initial month of employment.

For calculating vacation credit for employees hired prior to January 1, 2002, the date the employee became or becomes full-time, which is half time or more up to and including full-time, shall be used.

For employees hired prior to January 1, 2002, any previous full-time County service, which is half-time or more up to and including full-time, will be counted towards vacation time calculation.

For calculating vacation credit for employees hired on or after January 1, 2002, the date that the employee becomes part of the bargaining unit shall be used.

For employees hired on or after January 1, 2002, only continuous full-time County service immediately preceding employment in the Sheriff's Department will be counted towards vacation time calculation.

For the first January 1 of employment after the initial date of employment, the employee shall be credited with two years of service credit for vacation. Each January 1 thereafter, the employee shall be credited with an additional year of service.

Employees shall not accrue vacation leave for any period during which they are off the payroll for more than half the working days in a month.

SECTION 2. Maximum Vacation Accumulation

The maximum vacation time that can be accumulated by each employee at one point in time is 400 hours. Once the maximum accumulated vacation balance is on the books, no further vacation accruals shall be credited to the employee until the accumulated balance goes below the maximum.

SECTION 3. Vacation Eligibility Requirements

Employees shall start to accrue vacation beginning the date of hire; however, they shall not be eligible to use vacation accruals until after six (6) consecutive months of employment with the Sheriff's Department.

SECTION 4. Vacation Pay

The rate of vacation pay shall be the employee's regular straight time hourly rate of pay in effect for the employee's regular job at the time the vacation is being taken.

SECTION 5. Request for Vacation

In order to assure orderly performance and continuity of those municipal services provided by the employees of the Sheriff's Department, each employee wishing to schedule vacation should request in writing such vacation leave as far in advance as reasonably possible, but preferably at least one (1) week in advance of the requested vacation period. In order to better assure that their vacations may be scheduled when they want them, employees should, as set forth in Section 6 of Article 9, actually request their vacations between January 1 and January 31<sup>st</sup> of each year for the period March 1 thru February 28 of the following year.

- A. Employees will be allowed to submit for vacation accruals not yet earned but will be available to the employee at the time vacation is taken.
- B. Vacation requests will take precedent for scheduling over other types of leave accruals because vacation time is the only accrual that the contract gives seniority preference.
- C. Requests for floating holiday and personal leave will not be approved prior to February 28 if the request is for leave that occurs after February 28. These requests will be processed after vacation leave has been scheduled.

Requests for vacation shall be granted upon approval of the Sheriff or his/her designee unless it is determined that such absence would adversely affect and interfere with the orderly performance and continuity of the Sheriff Department's service. Vacation requests shall not be arbitrarily or unreasonably denied.

#### SECTION 6. Scheduling Vacations

Vacations will be scheduled insofar as possible and practical at those times requested by each employee. However, because of the nature of the work and the requirement that the orderly performance and continuity of the Sheriff Department's services be maintained, it may be necessary to limit the number or prohibit any employees from taking vacations during a particular period or at the same time.

For the purposes of scheduling vacations, the Sheriff will use the following procedure:

- A. Vacation requests shall be submitted to the Sheriff in writing and will be processed as follows:
  - for those requests submitted prior to January 31<sup>st</sup>, division seniority will prevail;
  - for those requests submitted after January 31<sup>st</sup>, they shall be granted on a first-received, first-granted basis;
- B. In the event requests are received by the Sheriff at the same time after January 31<sup>st</sup> for the same vacation period, division seniority will be the determining factor of who is granted vacation.

(Division seniority shall be the last bargaining unit date of full-time hire/start in the division.)

Approval and/or denial of vacation requests shall be received by February 28 for vacations requested during the January 1-31 period. Approval and/or denial of vacation submitted after January 30<sup>th</sup> shall be received within seven (7) days after submission.

#### SECTION 7. Vacation Cancellation

Except in the case of emergency, as determined by the Sheriff or his/her designee, no approved vacation shall be cancelled by the Sheriff, County Administrator, and the Chairman of the Legislature.

An employee who is not at the maximum vacation accumulation of 400 hours at the time vacation is scheduled to be taken and who is not able to take vacation because his/her vacation is denied or cancelled by the Sheriff or his/her designee, shall have the option of taking vacation at another time or to be compensated with straight-time pay for the vacation period denied or cancelled.

An employee who has reached the maximum vacation accumulation of 400 hours at the time vacation is scheduled to be taken and whose vacation is denied or cancelled by the Sheriff or his/her designee shall be compensated with equal straight-time pay for the vacation period denied or cancelled.

**SECTION 8. Vacation Call Back**

Except in the case of an emergency, as determined by the Sheriff, the County Administrator, and/or Chairman of the Legislature, or unless mandated by law, no employee shall be required to return to and appear for work during his/her scheduled vacation period once it has begun (including any holidays or other days off which constitute a part of the vacation period).

**SECTION 9. Separation from Service**

Any employee who resigns, retires, or is otherwise permanently separated from the service of the Sheriff's Department, except those who are discharged for cause, shall receive vacation pay for all of his/her accrued vacation upon separation from employment with the County provided that:

- A. the employee has completed six (6) months of continuous service with the Sheriff's Department;
- B. in the case of resignation or retirement, the employee gives ten (10) working days written notice to the Sheriff and the Personnel Officer; and
- C. the employee works ten (10) working days (days do not need to be consecutive but must include the last day of employment) following the day written notification is given, unless the employee has a death in his/her immediate family (as defined in Article 18 Section 1); is required to report for jury duty, as defined in Article 25; or is required to be absent from work for any other unforeseen reason that, at the discretion of the Sheriff and Personnel Officer, constitutes a valid reason for absence. (For this clause only, if a paid holiday falls within the ten (10) day notice period, it shall be considered a day worked if all other required days are worked by the employee).

At the sole discretion of the Sheriff, in consultation with the Personnel Officer, the ten (10) day requirement may be waived and the employee paid for the accrued, but unused, vacation time.

The amount of payment for all unused vacation shall be calculated based upon the employee's regular straight time hourly rate of pay in effect for the employee's regular job on the last workday of the employee's employment. Vacation pay upon separation is not applicable to any specific period of time and cannot be used to extend the separation date.

Accrued vacation pay for an employee who became deceased while in service will be paid in the pay period immediately following the notification of death.

For employees who permanently separate from County service prior to the end of the accrual year and are eligible for payment of accrued vacation, the County shall round up to the nearest

quarter hour of accrued benefit, but never more than the maximum allowed for vacation earned at the time of separation.

**ARTICLE 10**

Bargaining unit members shall pay 20% of the 2010 premium rate for 2011.

SECTION 3. The County Health Insurance Plan includes a three tier formulary plan for prescription drugs. Employees may obtain prescription medications through the following providers and will pay the following co-pays:

#### Non-Maintenance Medications

\$5 for generic

\$15 for brand name formulary

\$30 for non-formulary

Employees shall be required to fill all prescriptions with the generic brand when available. Should the employee voluntarily elect not to fill with the generic brand, the employee will be responsible for the cost between the generic and the drug selected (name brand or non-formulary) plus the co-pay for the name brand or formulary. In the event that the employee cannot take a generic drug due to a medical reason determined by the prescribing medical provider, the employee will not be required to pay the difference between the generic drug and the drug selected. The co-pay will be required for either the name brand or formulary.

#### SECTION 6. Dental and/or Vision Insurance

Employees shall be eligible to join the dental and/or vision insurance plan agreed upon. The coverage shall be for the employee and/or family and will be provided as follows:

- The additional cost for family coverage shall be borne by the employee.

SECTION 7. Enrollment in the dental and/or vision insurance plan shall take effect as described in Section 4 of Article 10 or during the open enrollment period held at six (6) month intervals.

SECTION 8. All State mandated requirements regarding health insurance will become part of the County Health Insurance Plan.

SECTION 9. Spouses and/or dependents of an employee who becomes deceased as a result of a work-related injury or illness shall be permitted to continue to receive health insurance from the County. Upon exhausting all the TPA appeals and internal reviews, employees may request a final appeal to a review committee made up of the County Legislature Chairman, County Administrator, County Personnel Director, County Attorney, and County Physician. This committee will make its determination based on medical evidence and the medical recommendation of the County Physician, a position appointed by the County Health Board.

If the self-insured product provided by the County comes under the auspices of the New York State Insurance Department, employees shall appeal under the rules of the NYS Insurance Department instead of the procedure outlined in paragraph two of this section after exhausting all internal TPA appeals.

One (1) day of the four (4) may be retained for later interment.

SECTION 2. In the event of the death of any relative not outlined in Section 1 of this Article, the employee shall be excused from work at his/her request on the day of the funeral, provided

the employee was scheduled to work on the day of the funeral, utilizing accrued personal leave, vacation leave, floating holiday, or compensatory time. For bereavement purposes under this section, bargaining unit members shall not be required to meet prior notice requirements of the utilized accrued leave.

In the event of the death of a spouse's grandparent or brother/sister-in-law, the employee may request to be excused from work at his/her request for up to two additional days, in conjunction with the funeral day, provided the employee was scheduled to work. The employee will utilize accrued personal leave, vacation leave, or floating holiday. For bereavement purposes under this paragraph, bargaining unit members shall not be required to meet prior notice requirements of the utilized accrued leave provided the Sheriff approves the request for time off. The request will not be unreasonably denied and the determination for time off will be on a case-by-case basis in order to ensure safety in the facility.

The parties agree to allow the use of up to four (4) days referenced in Section 1 within thirty (30) days of the employee's receipt of notification of a qualifying death. **APPENDIX C**  
**MANDATORY SUBSTANCE ABUSE TESTING POLICY**

This policy is based upon the County's practice and policy prohibiting the use of or being under the influence of alcohol and/or drugs while working.

The Cortland County will assist employees who have a drug or alcohol dependency to recover from such addiction provided the employee seeks and accepts assistance. However, the County may take appropriate formal disciplinary action, in accordance with this policy. It is important to emphasize that employees with drug and /or alcohol problems, who wish to avail themselves of rehabilitative services under the health insurance or any other rehabilitation program, should pursue help before they are determined to be in violation of the County's Drug-Free Workplace Policy.

All employees within the unit will be subject to random drug and alcohol testing. In addition, the County shall have the authority to compel a drug or alcohol test under reasonable suspicion.

**SECTION 1. Prohibited Alcohol and Controlled Substance-Related Conduct**

The following alcohol and controlled substance-related activities are prohibited:

- Reporting for duty or remaining on duty to perform safety sensitive functions while having an alcohol concentration of 0.02 or greater.
- Being on duty while in the possession of alcohol or a controlled substance for which the employee does not have a prescription.
- Using alcohol or a controlled substance for which the employee does not have a prescription while on duty.
- Refusing to submit to an alcohol or controlled substance test required by random, reasonable suspicion or follow-up testing requirements.
- Reporting for duty or remaining on duty when the employee uses any controlled substance or labeled restricted prescription medication will notify the Sheriff or Personnel Officer for approval to work. Upon approval the employee may keep this medication in his/her locker for use during their tour of duty. The approval to work shall not be unduly withheld and shall not be made arbitrarily or capriciously.

**SECTION 2. Types of Testing**

The following are types of tests required to be performed:

- Post Accident Testing (Reasonable Suspicion Only)\*
- Random Testing

- Reasonable Suspicion Testing
- Return-to-Duty Testing
- Follow-up testing

Controlled substances tests will follow split sample procedures. Under this provision, an employee whose urine has tested positive for a controlled substance has the option (within 72 hours of being notified by the MRO) of having the other portion of the split sample tested at another laboratory. If the second portion of the sample also tests positive, then the employee is subject to sanctions contained in the regulations. If the second portion produces a negative result, or for any reason the second portion is not available, the test is considered negative and no sanctions are imposed.

### **SECTION 3. Reasonable Suspicion Alcohol and Controlled Substances Testing**

An employee must submit to an alcohol or controlled substance test when the employer has reasonable suspicion to believe the employee has violated the alcohol or controlled substances prohibitions.

\*Reasonable Suspicion - Belief that the employee has violated the alcohol and controlled substances prohibitions based on specific, contemporaneous, articulate observations concerning the appearance, behavior, speech, or body odors of the employee. This includes post accident reasonable suspicion testing within two (2) hours of the accident when actually operating a County vehicle.

Supervisor Training - The required observations for alcohol and/or controlled substances reasonable suspicion testing shall be made by a supervisor or County official who is trained in accordance with the following requirements:

- A. Employers must ensure persons designated to determine whether reasonable suspicion exists to require an employee to undergo alcohol or controlled substances testing receive: at least thirty (30) minutes of training on alcohol misuse and at least sixty (60) minutes of training on controlled substances use.
- B. The training shall cover the physical, behavioral, speech and performance indicators of probable alcohol misuse and the use of controlled substances.
- C. The training shall be a total of ninety (90) minutes.

Alcohol - Alcohol testing is authorized only if the observations are made during, just before, or just after the period of the workday the employee is required to be in compliance.

If a reasonable suspicion alcohol test is not administered within two (2) hours following the observation, the employer shall prepare and maintain on file a record stating the reasons the alcohol test was not administered promptly. In addition, if not administered within eight (8) hours, the employer shall cease attempts to administer the test and shall prepare and maintain the record listed above.

Only one supervisor is required to make the observations necessary to require the controlled substance or alcohol test. The supervisor who makes the determination that reasonable suspicion exists to conduct an alcohol test shall not conduct the alcohol test, in order to preserve protection for the employees.

Records - A written record shall be made of the observations leading to an alcohol and/or controlled substances test, and signed by the supervisor who made the observations.

NOTE: The mere possession of alcohol does not constitute a need for reasonable suspicion testing, which must be based on observations concerning the employee's appearance, behavior, speech, or body odor.

#### **SECTION 4. Random Alcohol Testing**

Random alcohol testing shall be conducted in accordance with the following requirements:

- Random alcohol testing shall be administered at a minimum annual rate of 25 percent (25%) of the average number of employee positions.
- The employer shall ensure that random alcohol tests are unannounced and spread reasonably throughout the calendar year.
- The employer shall ensure that employees selected for random alcohol tests proceed immediately to the testing site upon notification of being selected.
- In the event an employee selected for a random alcohol test is on vacation or an extended medical absence, the employer may select another employee for testing as selected by the MRO.

#### **SECTION 5. Random Controlled Substances Testing**

Random controlled substances testing shall be conducted in accordance with the following requirements:

- Employer must use a scientifically valid method, such as a random number table that is matched with the employee's social security number.
- Random controlled substances testing shall be administered at a minimum annual rate of 25 percent (25%) of the average number of employee positions.

- The employer shall ensure that random controlled substances tests are unannounced and spread reasonably throughout the calendar year.
- The employer shall ensure that employees selected for random controlled substances tests proceed immediately to the testing site upon notification of being selected.

#### **SECTION 6. Refusal to be Tested**

Refusal to submit (to an alcohol or controlled substance test) - An employee:

1. fails to provide adequate breath for testing without a valid medical explanation after he or she has received notice of the requirement for breath testing;
2. fails to provide adequate urine for controlled substances testing without a valid medical explanation after he or she has received notice of the requirement for urine testing; or
3. engages in conduct that clearly obstructs the testing process

An employee who refuses to take either a controlled substance or alcohol test will be subject to disciplinary action up to and including termination.

#### **SECTION 7. Return-to-Duty Testing**

The County shall ensure that before an employee returns to duty after engaging in prohibited conduct regarding alcohol or substance abuse, the employee shall undergo a return-to-duty alcohol or substance abuse test indicating a breath alcohol concentration of less than 0.02 and no presence of a controlled substance.

In the event a return-to-duty test is required, the employee must also be evaluated by a substance abuse professional (SAP) and participate in any assistance program prescribed.

#### **SECTION 8. Follow-up Testing**

Following a determination that an employee is in need of assistance in resolving problems associated with alcohol misuse and/or of controlled substances, the County shall ensure that the employee is subject to unannounced follow-up alcohol and/or controlled substances testing as directed by the substance abuse professional.

The employee shall be subject to a minimum of six follow-up controlled substance and/or alcohol tests in the first six months.

## SECTION 9. Alcohol Testing Procedure

Employees will be subject to evidential breath test (EBT).

### PREPARATION FOR BREATH ALCOHOL TESTING

- A. A supervisor will instruct the employee to report to a specified location for a breathalyzer test. At this location, the employee will meet a breath alcohol technician (BAT), who will be doing the testing and who will show the employee to a room where the test will be conducted. This room will afford the employee visual and aural privacy. The BAT will explain how the test is conducted, ask the employee to provide some positive identification, and upon the employee's request, the BAT shall supply his/her positive identification.
- B. The BAT shall complete step 1 on the Breath Alcohol Testing Form. The employee shall then complete step 2 on the form, signing the certification. Refusal by the employee to sign this certification shall be regarded as a refusal to take the test.
- C. An individually sealed mouthpiece shall be opened in the presence of the employee and placed on EBT. The employee shall be instructed to blow into the mouthpiece until the EBT indicates an adequate amount of breath has been obtained.
- D. The employee shall be shown the results on the recorder of the EBT. The results along with blank air samples will be printed in triplicate, one copy for the employee. If the result of this test is 0.019 or less, no further testing is to be done and no record of testing retained in personnel file. However, if the result is 0.02 or greater, the BAT must conduct a confirmation test.

### Procedure for Confirmation Test

- A. The BAT shall instruct the employee not to eat, drink, put any substance in his or her mouth, and to the extent possible, not eruct (belch) during the waiting period before the confirmation test. This time period begins with the completion of the screening test, and shall not be less than fifteen (15) minutes. This confirmation test shall be conducted within twenty (20) minutes of the completion of the screening test. The BAT shall explain to the employee the reason for this procedure (to prevent any accumulation of mouth alcohol), and the fact it is for the employee's benefit.
- B. The confirmation test is much the same as the screening test. This is the final test. If an employee shows a 0.02 or greater, the BAT will notify the supervisor in a confidential manner of the results. All test results will be kept confidential.

## SECTION 10. Drug Testing Procedure

1. All employees will be subject to drug testing.
  - A. The employee will be notified by the supervisor and the employee will be instructed to go to a specified location for a drug test.
  - B. Once at the collection site, the employee will be given a sealed specimen bottle or a sealed collection container and provided a room that will afford the employee visual and aural privacy for him/her to provide a urine sample for a drug testing.
  - C. Once a sample is collected, the employee is to return the sample to the collector immediately. The sample will be checked for temperature and it will be recorded on the official form. The specimen will be split into bottle A and bottle B. The official form and the two specimen bottles will be sent to a laboratory for testing.
2. The laboratory shall report as negative to the Personnel Officer all specimens that are negative on the initial test and no record of testing retained in personnel file. Only specimens confirmed positive shall be reported positive for a specific drug.
  - A. The laboratory has five (5) working days after receipt of the specimen to report the results of the tests to the Medical Review Officer.
  - B. The Medical Review Officer shall review confirmed positive results, making sure all steps have been taken to assure an accurate test.
  - C. Prior to making a final decision to verify a positive test result for an employee, the Medical Review Officer shall contact the employee directly, on a confidential basis, to determine if he/she wishes to discuss the test results. A medically licensed or certified staff person under the Medical Review Officer's supervision may gather information from the employee. The Medical Review Officer shall talk directly with the employee before verifying a test as positive.
  - D. If, after making all reasonable efforts and documenting them, the Medical Review Officer is unable to reach the employee directly, he/she shall contact a designated management official who shall direct the employee to contact the Medical Review Officer as soon as possible. The management official shall employ procedures that ensure this notice is held in confidence.
3. The Medical Review Officer may verify a test as positive without having communicated directly with the employee about the test in two circumstances.
  - A. The employee expressly declines the opportunity to discuss the test.

- B. The designed employer representative has successfully made and documented a contact with the employee and instructed the employee to contact the Medical Review Officer and more than five (5) days have passed since the date the employee was successfully contacted.
4. If a test is verified positive under the circumstances specified in paragraph 3 (A) and (B) of this section, the employee may present, to the Medical Review Officer, information documenting that serious illness, injury, or other circumstances unavoidably prevented the employee from timely contacting the Medical Review Officer. The Medical Review Officer, on the basis of such information, may reopen the verification, allowing the employee to present information concerning a legitimate explanation for the confirmed positive test. If the Medical Review Officer concludes that there is a legitimate explanation, the Medical Review Officer declares the test to be negative.
- A. If a test is verified positive by the Medical Review Officer, the employee has seventy-two (72) hours after the Medical Review Officer successfully made and documented a contact with the employee, to ask specimen B or split specimen to be tested. The Medical Review Officer shall direct, in writing, the laboratory to provide the split specimen to another DHHS certified laboratory for analysis. If the analysis fails to reaffirm the presence of the drug(s) or drug metabolite(s) found in the primary specimen, or if the split specimen is unavailable, inadequate for testing, or untestable, the Medical Review Officer shall cancel the test and report cancellation, and the reasons for it to the employer, and the employee.
  - B. If a test is verified positive under the circumstances specified in paragraph 4 and 4 (A) of this document, the employee will be notified by the Medical Review Officer.

All drug and alcohol testing shall be done on County time. All County employees will be transported, by the County, to and from the test site. The County shall also transport employees who have 0.02 or greater level for alcohol, to their place of residence.

#### **SECTION 11. Evaluation and Discipline**

1. An employee testing positive for drugs or alcohol will be suspended for a minimum of thirty (30) days, and the case will be reviewed for discharge. However, after review, it may be decided that the employee be given the chance to come back to work after rehabilitation.
- A. The employee will need an evaluation by a substance abuse professional that shall determine what assistance, if any, the employee needs in resolving problems associated with alcohol misuse or controlled substance use.

- B. An employee who has followed all rehabilitative programs prescribed by the substance abuse professional but after thirty (30) days is not released by the County's substance abuse professional to return to work without restrictions, may be considered by the County for employment to do other tasks until released by the substance abuse professional.
  - C. Before an employee returns to duty, doing a safety sensitive function, after a verified positive test for drugs or an alcohol level of 0.02 or greater, the employee shall undergo a return to duty alcohol test with a result indicating an alcohol concentration of less than 0.02, if the conduct involved alcohol, or a controlled substance test with a verified negative result, if the conduct involved a controlled substance. In addition, each employee identified as needing assistance in resolving problems associated with alcohol misuse or controlled substance use, shall be evaluated by a substance abuse professional to determine that the employee has properly followed all rehabilitation programs prescribed by the evaluator.
  - D. An employee shall be subject to unannounced follow-up alcohol and controlled substances tests administered by the employer, following the employee's return to duty. The number and frequency of such follow-up testing shall be as directed by the substance abuse professional and consist of at least six (6) tests in the first six (6) months after the return to duty.
