RE: REGIONAL TRAINING CENTER CHARITABLE EVENT

Dear Fellow Community and Business Leaders,

It appears we are turning the corner on Covid but for another year, we have all been faced with the daunting effects of it. We also are very cognizant of the death and destruction in Ukraine which is deeply concerning and disturbing. I am hoping this communication finds you, your family and friends well. I would like to take a moment of your time, inviting, along with encouraging you to stand shoulder to shoulder with Walden Oaks Country Club in supporting the Cortland County Regional Training Center at our 12th annual charitable golf event. We will gather at Walden Oaks on September 11, 2022 for the 12th annual RTC Invitational and carry on the mission of the prior tournaments by generating funds to sustain the operation of the Cortland County Regional Training Center (RTC) and now Live Fire Training Facility.

The RTC has returned to its status of being the nucleus for emergency preparedness training in the Central New York region by attracting a significant number of attendees from all corners of New York State. The RTC provides a vast community investment with our attendees fueling our local restaurants, hotels and retail businesses on a monthly basis based on the myriad of diversified courses offered at the facility. Multiple disciplines of community services including but not limited to law enforcement, EMS, fire, Red Cross, health coalitions, youth safety and area school district safety programs are offered annually at the RTC.

The escalating costs for requisite training materials, student safety equipment and continued enhancements that are needed to comply with local, state and federal training mandates continue to outpace the donation-based revenues of the RTC. Included you will find a simplified pledge form where you may select your level of financial commitment through participation, sponsorship or on course challenge for this 501 (c) (3) charitable event.

Respectfully yours,

Kevin Whitney

Tournament Chair

CORTLAND COUNTY EMERGENCY SERVICES INVITATIONAL GOLF TOURNAMENT

**SEPTEMBER 11, 2022
SHOTGUN START 0900 HR.**

Walden Oaks Country Club proudly welcomes back all area emergency service providers, supporters and distinguished guests to participate in the 12th annual charitable fundraiser to benefit the Cortland County Regional Training Center. It has been 20 years since the inaugural event and the emergency services training facility has continued to evolve into the premier educational component for our emergency responders. All proceeds for the tournament will be applied to the annual, escalating costs incurred by the regional training center.

In response to continued requests from you the beloved supporters from the community, we will once again gather and enjoy a day of reflection and comradery on the links. The format for this non-competitive gathering is "Captain & Crew" with a shotgun start at 0900 hr. This year a BBQ dinner will be provided with the presentation of prizes immediately following the completion of play.

Play will be limited to 32 teams so please be timely with your registration returns. Games of chance, long drive, closest to the pin are offered throughout the course of play. Mulligans and Skins will be available for purchase prior to the start.

Entry fee of \$82.50 per non-member teammate and \$55.00 per Walden Oaks membership teammate includes: green fees, cart, and BBQ dinner. Additional guest meals may be purchased ahead of time for \$20.00.

REGISTRATION DEADLINE IS SEPTEMBER 2, 2022 @ 1700hr.
