Section 4. Withdrawal from Plan.

Any participant in the plan may withdraw therefrom at the beginning of the next ensuing calendar year by filing with the Clerk of the County Legislature on or before the 15th day of July of any year, a certified copy of a resolution of its governing body electing to withdraw from the plan, upon condition that such participant shall pay, in a lump sum, its estimated share of the outstanding liabilities of the plan as of the date of withdrawal. Apportionment of costs shall be determined by taking the total amount to be assessed and applying the following formula:

- A. Forty percent (40%) of the total revenue for the plan shall be generated based upon assessed valuation. Each participant's share shall be calculated by determining the participant's percentage of full value assessment within the plan and multiplying that percentage of full value assessment by the total amount of revenue to be generated. The

County's percentage of full value assessment shall include the full value assessment contained within municipalities not participating in this self-insurance plan.

1. When calculating the full value assessment of the towns of Cortlandville, Homer and Marathon, the village assessment within these towns shall be excluded.
- B. Sixty percent (60%) of the total revenue for the plan shall be generated based upon claims history. Each participant's share shall be calculated by determining the participant's percentage of the average claims paid for the preceding three (3) years, which average claims paid shall be known as the "experience factor", and multiplying that percentage by the total amount of revenue to be generated.

The County Attorney shall notify each participant in writing, not later than September 1st, of the amount of such assessment and each participant shall pay the County Treasurer the amount so specified in such notice not later than April 31 of each calendar year. A late payment penalty of 1.5% of payment due shall accrue on a monthly basis until payment is made in full.

Section 7. Limits on Apportionment.

For the purposes of limiting the exposure to a participant for any extraordinary costs that may arise in a given year, participant's assessments shall be limited in accordance with the following schedule which is designed to limit the taxable impact of catastrophic claims on the participant. A participant shall be categorized by the municipality's taxable value. The participant's annual assessment shall be limited to the maximum established assessment for each category **plus a portion of any and all assessments exceeding the maximum assessment which shall be distributed equally among all participants.** The established maximum assessment caps do not apply to the County as plan holder/administrator. The maximum assessment and taxable value categories may be amended from time to time by the County Legislature by Resolution.

In the event of a conflict or inconsistency between this local law and any previous local laws or resolutions of the County Legislature, this local law shall govern.

If any clause, sentence, paragraph, subdivision, section or part of this local law shall be adjudged by any court of competent jurisdiction to be invalid, such judgment, decree, or order shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part thereof directly involved in the controversy in which such judgment, decree or order have been rendered.
