

DO YOU WANT TO SHOWCASE YOUR BUSINESS?

We want your business to participate in
Cortland County's first art contest!

Coloring sheets designed in the shape of the county will be distributed to local businesses across Cortland County. Families are encouraged to stop in to their favorite small business to pick up a coloring sheet.

The theme of the contest is "My County Landmarks," all young artists are invited to fill out the county outline with the places in their hometown that mean the most to them.

One winner will be chosen from each municipality in the county, and their art will be turned into a decal sticker to be displayed in the participating restaurants and shop windows.

Local businesses who wish to participate in the
contest should reach out to
cortland@sdamktg.com
to receive coloring templates and more
information about the contest!
